

Unlimited Trial Accounts Creation

AhsayCBS allows service providers to create unlimited AhsayOBM / AhsayACB trial accounts for them to test your managed backup service. Trial user accounts do not count towards the quota of your paid software license.

Each trial user is limited to a maximum trial period of 90 days.

To allow users to create a trial backup account from AhsayOBM or AhsayACB, you can enable the Enable **Free Trial Registration** option in your AhsayCBS > Backup / Restore > Basic. If this feature is unchecked, the option to register for a trial account will not be available to end users.
