

Product Discontinuation Notice - AhsayMOB - 19th February 2021

This notice serves as a formal announcement that our mobile backup app AhsayMOB, introduced with AhsayCBS v7.7 **has been discontinued by Ahsay effective immediately**, due to the recent release of Ahsay Mobile for Android/iOS with AhsayCBS v8.5.0.63.

- AhsayMOB Android and iOS installers will no longer be available on the App Store or Google Play.
- Partners currently using AhsayMOB are welcome to continue to use it, **however Ahsay will no longer offer technical support.**

For partner's who are interested in offering mobile backup service, it is recommended to use our all new Ahsay Mobile app:

- Is totally free to use (with unlimited mobile license quota).
- Is fully brandable.
- Supports 31 different languages.
- Supports the latest mobile operating systems:
 1. Android v8.0 or above
 2. iOS v12.0 or above
- Supports backup and restore of photos and videos.
- Supports advance features:
 1. Automated backup
 2. Backup while charging
 3. Power saving mode
- Ahsay Mobile doubles as a security device providing two-factor authentication (2FA) for AhsayOBM, AhsayACB, and AhsayCBS sign in using:
 1. Push notification
 2. Time based one time password (TOTP)

For further details on Ahsay Mobile, please refer to our [AhsayCBS v8.5 New Features Datasheet](#)

If you have any questions about setting up Ahsay Mobile, you may submit your questions to our Support team via Ahsay Partner Portal (www.ahsay.com/partners).
