License Management (Pooling)

If you purchase licenses from us (regardless if there is valid maintenance), you have perpetual use of the licenses. If you would like to re-arrange licenses, you will need to use our License Management Portal (LMP). LMP is a free function for our partners with valid maintenance for ALL license keys pooled in LMP.

See how it works

FAQs

- [How to determine the number of client licenses required before upgrading from AhsayOBS version 6 to AhsayCBS version 7?](#)

Issues

- [Incorrect client usage and add-on module usage displayed for sub admin account](#)
- [AhsayCBS service stopped with 'Exceed User Quota' error within 60 days evaluation period](#)
